INTRODUCTION

Sorting Some Of The Wrights Of Southern Virginia is a multipart project. Each part will discuss a separate Wright family, beginning with the oldest known ancestor of that line. This work John Wright (Monroe County) is Part XX of the project.

The material for this project is organized in four sections. The first is the text, the second is the descendants charts, the third is the sources, and the fourth is a set of appendices.

The text provides full and literal transcriptions of all documents and sources found for the individuals discussed, as well as explanations of the significance of documents and the evidentiary logic for conclusions that are not obvious on their face. Five generations are discussed. Every researcher has faced the frustration of an asserted identification without a source reference or explanation of the conclusion or with a source reference which when consulted turns out to say something different than what was claimed. By providing full transcriptions of sources, I hope to allow the reader to reach their own conclusions regarding the identifications given and avoid the need to search out the source, even though this adds considerably to the length of the text. When secondary sources are relied on, the person providing the information is listed.

The descendants charts are organized with the oldest ancestor in the first column and each descendant from that ancestor in the remaining columns, to the extent known. The basic data of date and place of birth, marriage, residence, and death are given for each individual. The sources for that information are also given for each individual, using code numbers to the source list.

The source list provides a chronological listing of sources as they were found or consulted. The chronological listing evolved from my early years in research and mistaken efforts at coding the source. By the time I realized the inappropriateness of the coding format, there was too much information in a pre-computer era to correct the early references. The reader is left with the result and my apology.

The appendices list all of the known Wright documents for a particular type of record for a county in chronological order and include an identification of the Wright named in the record. These appendices have been published separately by Heritage Books, Inc., and to date have included Wright birth, marriage, personal property tax, census, deed, land tax, death, cemetery, and probate records for Amherst, Appomattox, Bedford, Botetourt, Campbell, Cumberland, Essex, Franklin, Montgomery, Nelson, Prince Edward, Roanoke, and Rockbridge Counties, Virginia, the City of Lynchburg, and the City of Roanoke, Virginia. Other counties will follow in the future. The appendices allow a cross referencing of the known records to the person discussed. This is to avoid having the same record cited for two different persons who happened to have the same name and to provide a list of documents that have not been associated with any person and which might be inconsistent with asserted identifications.

The numerous Wrights found in the same geographic areas necessitated an identification system to keep their identities separated. The system selected early on was to list a person by their year of death and county of residence at death, when known. For example, "1776 Augustine Wright of Amherst County" indicates that this was the Augustine Wright who died in 1776 in Amherst County. If no state is listed after the county, the state is Virginia; counties in states other than Virginia have a state listed after the county, as in "1825 Achilles Wright of Oldham County, Kentucky". A parenthetical after the name indicates an identification of the person when a place of death is not yet known, as in "John Wright (Goochland County Carpenter)." A county in parentheses after the name indicates the county with which that person was most identified when no evidence of the place of death has yet been found, as in "William Wright, Sr. (Bedford County)."

No work of this size is done without help. Louise Perkins shared her research and provided family Bible information which identified the children of 1858 John Wright of Mercer County. And Cara Wright and her mother Judith Wright provided the critical insights and circumstantial evidence that identified 1815 George Wright of Botetourt County as a probable son of John Wright (Monroe County) and the probable father of 1879 George W. Wright of Alleghany County as well as the identification of Rebecca (King) (Wright) Bess as the wife of 1815 George Wright of Botetourt County. This dynamic duo also identified 1824 Vincent Wright of Alleghany County as a possible son of John Wright (Monroe County). And Cara Wright also found an otherwise unindexed John Wright (Monroe County) in the 1840 Census for Monroe County. All three researchers have my thanks for their major contributions to this work and bear no responsibility for any errors or omissions I may have made.

This is a work in process and I would be most interested in receiving additional information about any of the persons identified in these records in order to correct any errors or expand on the information given.

Descendants Chart

XXI. John Wright (Monroe County), His Wife Catherine (Persinger) Wright, And His Descendants

The parents of John Wright (Monroe County) have not as yet been identified.

Y-DNA has been pursued to identify his family. One descendant of John Wright (Monroe County) is David C. Wright, whose line of descent is as follows:

1. John Wright (Monroe County),
2. 1815 George Wright of Alleghany County,
3. 1879 George W. Wright of Alleghany County,
4. 1923 Gitano W. "Guy" Wright of Alleghany County,
5. 1954 Moses George Wright of Alleghany County,
6. 1980 Wilbur Alvin Wright of Alleghany County,
7. 2015 Charles David Wright of Maricopa County, Arizona, and
8. David C. Wright.

David C. Wright has participated in the Wright DNA Project and his Kit is No. 990462. His haplogroup is R-M198, but ungrouped because there are no other matching participants.

Further participants will be needed to hopefully identify the origins of John Wright (Monroe County), but the current absence of matches suggests that he may be the immigrant ancestor of this line.

The remainder of this work will set forth the documentation that has been found regarding John Wright (Monroe County), his wife Catherine (Persinger) Wright, and their descendants.

As more fully set forth below in his Revolutionary War Pension File S41384, John Wright served several tours in the Revolutionary War.

The marriage bond of John Wright and Agness McMurry was dated on August 13, 1789, at Botetourt County, Virginia, with Palser Kimberling as surety and W. Estill and Christopher Clark as witnesses. However, this was not a second marriage of John Wright (Monroe County), but rather the marriage of John Wright, the son of 1793 Peter Wright of Botetourt County. On November 9, 1792, at Botetourt County, Virginia, D.B. 4/427 Peter Right gifted 168 acres of the land on which he then resided on Jackson River to John Wright and on April 10, 1797, at Botetourt County, Virginia, D.B. 6/215 John Wright and his wife Agness Wright sold that same land to George Pence. John Wright, the son of 1793 Peter Wright of Botetourt County, appears in the Botetourt County records until 1797 and the sale of his land.

On October 21, 1789, at Botetourt County, Virginia, D.B. 4/161 John Wright, late of Lancaster County, purchased from Andrew and Elizabeth Henry 94 acres of land patented by Andrew Henry in 1774:

While this John Wright may have been the John Wright who married Catherine Parsinger, no evidence has yet been found connecting the two and this may have been another John Wright who happened to reside in Botetourt County in the same time period. This land was listed in the Botetourt County Land Tax Lists as taxed to John Wright through 1793 and not thereafter. No disposition of the land has yet been found.

The 1790 Personal Property Tax List for Botetourt County, Virginia, listed two John Wrights with the following households:

As will be set forth below, the second John Wright listed had 3, 4, 5, and then 6 horses in 1795 when he was described as "Potts Creek," indicating his residence and identifying him as the same John Wright who bought land there in 1793 and, therefore, as John Wright (Monroe County). The first John Wright listed had only 1, 2, or 3 horses at most and filed his list on the same day as William Wright and James Wright, who were sons of 1793 Peter Wright of Botetourt County. The listing of one tithe and one horse in the household is consistent with tax listings for newly formed households and John Wright, the son of 1793 Peter Wright of Botetourt County, married Agness Murry on August 17, 1789, in Botetourt County. Accordingly, I have identified the second John Wright listed above as John Wright (Monroe County) and the first John Wright listed above as John Wright, the son of 1793 Peter Wright of Botetourt County.

The 1826 and 1827 Personal Property Tax Lists for Alleghany County, Virginia, did not list a John Wright.

The 1826 and later Land Tax Lists for Alleghany County, Virginia, did not list John Wright (Monroe County), reflecting the sale of his land by Alleghany County Deed 1/157.

The 1828 Personal Property Tax List for Alleghany County, Virginia, listed one John Wright with the following household on February 27:

The 1829 Personal Property Tax List for Alleghany County, Virginia, listed one John Wright with the following household on February 16:

On March 7, 1829, at Revolutionary Pension File S41384 John Wright filed his application for bounty land for his service in the Revolutionary War:

"State of Virginia)
County of Alleghany)

I, John Wright aged Sixty Eight years, do, upon oath, testify and declare, that, in the year one thousand seven hundred and Eighty I enlisted for the term of "during the war," and served in the regiment No. ____ under the command of Colonel Armond of the Virginia line; and that I continued in the service aforesaid until the close of the war, when I was regularly discharged from the regiment, commanded by Colonel Armond

I further declare, that I have never received a warrant for the Bounty Land promised to me on the part of the United States; nor have I ever assigned or transferred my claim in any manner whatsoever: therefore,

Know all men by these presents, that I, John Wright aforesaid, do hereby constitute and appoint Col. Joseph Watson of Washington City, to be my true and lawful attorney, for me and in my name to demand and receive from the Secretary of War of the United States, a warrant for the quantity of Land due to me as aforesaid; and my said attorney is hereby fully authorized and empowered to constitute and appoint one or more substitutes or attorneys under him, for the special purposes above expressed.

I, Jacob Persinger Senr. aged Eighty years, do, upon oath, declare that I have been long acquainted with John Wright who has subscribed the above declaration in my presence, and well know that he is the identical person he therein represents himself to be; and further, I know, or do believe, that he did perform the military service therein stated

them respectively subscribed, this 27th day of March 1829

John Persinger
Justice of the Peace

In testimony that the abovewritten John Persinger was a magistrate authorized to administer oaths, and take acknowledgments, &c., in the State of Virginia at the above date, and that his name there subscribed appears to me to be his usual signature, I have hereunto affixed my private seal there being no seal office in the County this being a new County, and subscribed my name and quality, at Covington this Second day of April 1829.

Oliver Callaghan
C. Clerk, &c."

The joinder of Jacob Persinger in this court proceeding and his testimony regarding John Wright's service indicates that this John Wright was the same John Wright who married Catherine Parsinger/Persinger. This record indicates that John Wright was born in about 1761.

The 1830 Personal Property Tax List for Alleghany County, Virginia, listed two John Wrights, one of whom was 1836 John Wright of Rockbridge County and the other of whom was John Wright (Monroe County) and it is not possible to identify which of those John Wrights was which and both are listed here:

The 1830 Census for Monroe County, Virginia (now West Virginia), listed John Wright "S" and John Wright "J" immediately adjacent to each other. The "S" and "J"

almost certainly stood for senior and junior, in this case indicating father and son, and John Wright "S" had the following household:

Names Heads of Families	Free White Males	Age	Free White Females	Age
John Wright "S"	1	70-80	1	60-70
			1	10-15

Slaves Male	Age	Slaves Female	Age	Free Colored Males	Age	Free Colored Females	Age

3					

Slaves and Colored Persons, included in the foregoing			
Deaf & Dumb under 14	Deaf & Dumb 14 to 25	Deaf & Dumb 25+	Blind

This record indicates that John Wright was born between 1750 and 1760 and that Catherine (Persinger) Wright was born between 1760 and 1770.

The 1830 Census for Alleghany County, Virginia, also listed John Wright with the following household:

Name	Males	Age	Females	Age
John Wright	1	80-90	1	50-60
	1	5-10	1	20-30
			1	0-5

The age listing for this John Wright is incorrect if his birth date was in 1761 and this was probably a listing for 1836 John Wright of Rockbridge County.

The 1831 Personal Property Tax List for Alleghany County, Virginia, listed one John Wright with the following household on February 21:

Date of Receiving list from Individuals	Persons Names Chargeable with Tax	Slaves above 12 yrs old	Horses Mares Mules & Colts	Stud Horses No $ ¢
February 21	John Wright		1	

Carriages, Giggs, Stage Waggons, and Harness with their Value $ Cts	Amount of Tax $ ¢

Again, it is not possible to determine whether this John Wright was John Wright (Monroe County) or 1836 John Wright of Rockbridge County, but the 1830 Census listings indicate this was probably 1836 John Wright.

The 1832 Personal Property Tax List for Alleghany County, Virginia, listed one John Wright with the following household on March 10:

Date of receiving list from Individuals	Persons Names Chargeable with Tax	Slaves above 12 Years old	Horses, Mares, Mules & Colts	Stud Horses No $ ¢
March 10	John Wright		1	

Carriages, Giggs, Carryalls & Stage Waggons and Harness with their Value $ ¢	Amount of Tax $ ¢
	.06

Again, it is not possible to determine whether this John Wright was John Wright (Monroe County) or 1836 John Wright of Rockbridge County, but the 1830 Census listings indicate this was probably 1836 John Wright.

The 1833 Personal Property Tax List for Alleghany County, Virginia, listed one John Wright with the following household on March 7:

Date of receiving list from Individuals	Persons Names chargeable with Tax	White Tith-ables	Slaves above 12 years old	Slaves above 16 years old	Horses, Mares, Mules & Colts
March 7	John Wright	1			

Free Negroes & Mulatoes	Stud Horses No . $ Cts	Carriages, Giggs, Carryalls Stage Waggons & Harness with their value $ Cts	Amount of Tax $ ¢

As in the prior year, it is not possible to determine whether this John Wright was John Wright (Monroe County) or 1836 John Wright of Rockbridge County, but the 1830 Census listings indicate this was probably 1836 John Wright of Rockbridge County.

The 1834 to 1838 Personal Property Tax Lists for Alleghany County, Virginia, did not list a John Wright.

The Pension Roll Of 1835, Indexed Edition, published by Genealogical Publishing Company, listed John Wright in 1835 in Monroe County, Virginia (now West Virginia) as having served as a Dragoon in Armand's Corps:

This record indicates that John Wright was born in about 1758.

From the evidence set forth above and additional evidence set forth below, the children of John Wright (Monroe County) and Catherine (Persinger) Wright were the following:

1) Probably George Wright, born in about 1789,
2) John Wright, born in about 1792 or 1793, and
3) Possibly Vincent Wright.

A. Probably 1815 George Wright Of Botetourt County, His Wife Rebecca (King) (Wright) Bess, And His Descendants

1815 George Wright of Botetourt County was probably a son of John Wright (Monroe County) and Catherine (Persinger) Wright. (John[1])

No direct documentary evidence has as yet been found identifying 1815 George Wright of Botetourt County as the son of John Wright (Monroe County), but the circumstantial evidence supports that identification.

First, as set forth below, the 1810 Census indicates that John Wright (Monroe County) had two sons born between 1784 and 1794 and one of those was his son 1858 John Wright, Jr., who was born in 1792 or 1793 and thus would be the younger of those two sons.

Second, the Personal Property Tax Lists show George Wright establishing his own household in 1811, when he would have been attaining adulthood, and the location of his residence on Potts Creek where John Wright (Monroe County) lived.

Third, the estate of George Wright in 1815 indicates an early death of a young man rather than an established household.

Fourth and finally, the family of David C. Wright mentioned above has a tradition that their ancestor died while serving in the War of 1812, which would be consistent the administration of his estate in 1815.

The conclusion seems fair that 1815 George Wright of Botetourt County was probably a son of John Wright (Monroe County).

The remainder of this section will discuss the documentation that has been found regarding 1815 George Wright.

The 1804 Personal Property Tax List for Botetourt County, Virginia, listed only one tithe over 16 for the John Wright household, but the 1805 Personal Property Tax List for Botetourt County, Virginia, listed a second tithe over 16, indicating that John Wright's oldest son had attained 16 years of age between 1804 and 1805 and, therefore, had a date of birth in about 1789. As will be set forth below, George Wright was the first additional person listed in the Personal Property Tax List and, therefore, was probably that oldest son.

The 1810 Census for Botetourt County, Virginia, listed John Wright (Monroe County) with one male in his household over age 45 and two males aged 16 to 26, indicating a date of birth for his first two sons between 1784 and 1794.

The 1811 Personal Property Tax List for Botetourt County, Virginia, listed George Wright with the following household:

The listing of George Wright as on Potts Creek indicates that George Wright was a son of John Wright (Monroe County) who resided on Potts Creek. The other person listed in this Personal Property Tax List was 1834 Peter Wright, Jr., of Boone County, Missouri, who is not known to have had a son George Wright.

The 1814 Personal Property Tax List for Botetourt County, Virginia, listed George Wright with the following household:

Cara Wright and Judy Wright were the first to discover and develop the evidence that Rebecca (King) (Wright) Bess was the wife of 1815 George W. Wright of Alleghany County.

There is one piece of direct documentary evidence that links 1815 George W. Wright and Rebecca (King) (Wright) Bess which appears in a deposition in a case filed on or before May 10, 1905, in Alleghany County, Virginia, a case filed by C. W. Wright against G. W. Wright and others for a partition or sale of 41 acres of land on Potts Creek.

In her email dated March 16, 2023, Cara Wright enclosed the following Affidavit of Publicatio:

10. Q. Do you hold an official position in Alleghany County, and if so state what it is, and how long you have held it.
A. Yes sir. I am Commissioner of the Revenue in Boiling Spring District, and have been since November, 1903.

. . . .

17. Q. When did Geo. W. Wright die?

. . . ."

For John L. Bess to be the half brother of 1879 George W. Wright, then the mother of John L. Bess had to be the mother of 1879 George W. Wright and thus the wife of 1815 George Wright.

The following sets forth some of the documentation that has been found regarding the parents of Rebecca (King) (Wright) Bess, Rebecca, and her son John Lee Bess:

Virginia, Select Marriages, 1785-1940, available from Ancestry.com, listed the marriage of Charles King and Rebecca Bess on August 21, 1787, in Botetourt County, Virginia:

"Name	Charles King
Gender	Male
Marriage Date	21 Aug 1787
Marriage Place	Botetourt, Virginia
Spouse	Rebecca Bess
FHL Film Number	30734
Reference ID	pg 36"

The 1810 Census for Botetourt County, Virginia, listed Charles King with the following household on August 6, 1810:

Name of Head of Family	Free White Males	Age	Free White Female	Age	All Other Free Persons	Slaves
Charles King	1	45+	1	45+		
			1	16-26		

This record indicates that Charles and Rebecca (Bess) King's daughter was born between about 1784 and 1794 and was then residing in Botetourt County, Virginia.

A marriage record of Rebecca King and George Wright has not as yet been found.

The 1820 Census for Botetourt County, Virginia, listed Charles King with the following household on August 7, 1820:

Names of Heads of Families	Free White Males	Age	Free White Females	Age	Foreigners
Charles King	1	45+	1	45+	
	1	0-10	1	16-26	

Number in Agriculture	Number in Commerce	Number in Manufacture	Slaves Male	Age
1				

Slaves Female	Age	Free Colored Males	Age	Free Colored Females	Age	All other Persons

This record indicates that Charles and Rebecca (Bess) King's daughter was born between 1794 and 1804 and in conjunction with the 1810 Census, in about 1794. The presence of a male age 0 to 10 in the household is consistent with the birth of 1879 George W. Wright in about 1815.

The marriage record of Rebecca King and Hamilton Bess was dated on January 28, 1823, in Alleghany County, Virginia:

"Marriage Book for Alleghany County

No. of Marriages	6
Date of Marriage	January 28th 1823
By whom Married	Joseph Pennell
Parties Marrying	Hamilton Bess and Rebecca King"

The listing in this record of Rebecca by her maiden name is inconsistent with her prior marriage to George W. Wright, but may have represented a clerk's error because she

was then living with her father Charles King.

The 1830 Census for Alleghany County, Virginia, listed Hamilton Bess with the following household:

Names Heads of Families	Free White Males	Age	Free White Females	Age
Hamilton Bess	1	20-30	1	30-40

This record indicates that Rebecca (King) (Wright) Bess was born between about 1790 and 1800 and that Hamilton Bess was born between about 1800 and 1810.

The 1840 Census for Alleghany County, Virginia, listed Hamilton Bess with the following household:

This record indicates that Rebecca (King) (Wright) Bess were both born between about 1800 and 1810.

The 1850 Census for Alleghany County, Virginia, listed Hamilton and Rebecca Bess with the following household on July 24, 1850, including their son John L. Bess:

This record indicates that Rebecca (King) (Wright) Bess was born in about 1795, which is consistent with the 1810 and 1820 Censuses, and also indicates that John Lee Bess was born in about 1837.

Findagrave.com listed the death of Rebecca King Bess in 1855 in Boiling Spring, Alleghany County, Virginia:

"Rebecca King Bess

Birth	1795 Botetourt County, Virginia, USA
Death	1855 (aged 59–60) Boiling Spring, Alleghany County, Virginia, USA
Burial	Burial Details Unknown. Specifically: Grave is no longer marked...
Memorial ID	67970513"

However, no photograph of the gravestone was provided and as indicated in the text, apparently no gravestone had been found. It is unclear on what the listing of her death in 1855 was based.

The 1860 Census for Alleghany County, Virginia, listed Hamilton Bess, age 53, no Rebecca Bess, and John L. Bess, age 17, on August 25, 1860. The absence of Rebecca (King) (Wright) Bess from the household indicates that she had died between July 24, 1850, and August 25, 1860. This record also indicates that John Lee Bess was born in about 1837.

U.S., Headstone Applications for Military Veterans, 1925-1970, available from Ancestry.com, listed the service of John Lee Bess as a Private in Company G, 22nd Virginia Infantry Regiment, Confederate States of America, and his death on February 19, 1913.

Findagrave.com listed two gravestones for John L. Bess in Pinnell Cemetery, Potts Creek, Alleghany County, Virginia:

"First Stone:

John L Bess
Co G
22 VA. Inf.
C. S. A.

Second Stone:

Bess
John L. Mary F.
1837 - 1913 1847 - 1925
In His Will Is Our Peace"

The above evidence indicates that John Lee Bess was a son of Hamilton Bess and his wife Rebecca (King) Bess and in conjunction with the 1905 deposition indicates that Rebecca was married first to 1879 George W. Wright's father and thereby indicates that 1879 George W. Wright was their son.

From the evidence set forth above and additional evidence set forth below, the only child of 1815 George Wright of Alleghany County and Rebecca (King) (Wright) Bess was the following:

1) Probably George W. Wright, born in about 1815 in Virginia.

1. 1879 George W. Wright Of Alleghany County, His Wife Elizabeth H. (Bennet) Wright, And His Descendants

1879 George W. Wright of Alleghany County was the son of 1815 George Wright of Botetourt County and Rebecca (King) (Wright) Bess. (John[1], 1815 George[2])

As set forth above, the 1905 deposition of John Lee Bess that he was a half brother of 1879 George W. Wright of Alleghany County identifies 1879 George as the son of 1815 George Wright of Botetourt County and Rebecca (King) (Wright) Bess.

The following additional circumstantial evidence supports that identification.

First, as set forth below, 1879 George Wright was born in about 1815 in Virginia, which is consistent with the death of George Wright in 1815 and the second marriage of Rebecca (King) (Wright) Bess in 1823.

Second, 1879 George W. Wright's name is consistent with being named for his recently deceased father 1815 George Wright.

Third, as set forth above, the 1820 Census for Botetourt County, Virginia, listed Charles King with a female age 16 to 26 and a male age 0 to 10 in his household, consistent with the widowhood of Rebecca (King) (Wright) Bess and the birth of 1879 George W. Wright in 1815.

Fourth, as set forth above, the 1830 Census for Monroe County, Virginia (now West Virginia), listed John Wright, Sr., with a male age 10 to 15 in his household, which would be consistent with the age of 1879 George W. Wright in 1830. This is also consistent with Hamilton Bess having no male age 10 to 15 in his household in 1830.

Fifth, as set forth below, 1879 George W. Wright first appeared in the Alleghany County records in 1833, which is consistent with his living with other family members in Alleghany County prior to that time and the establishment of his own household at age 18.

Sixth, Moses George Wright was a son of 1858 John Wright of Mercer County, Virginia, and a grandson of John Wright (Monroe County) and acted as appraiser of the estate of 1879 George W. Wright.

Seventh, in her email dated August 18, 2023, Cara Wright stated that the Works Progress Administration description of the home of 1879 George W. Wright stated that his father was George Wright, Sr., who lived in Rich Patch and died in the War of 1812.

Eighth, in her emails dated November 22 and 26, 2022, Cara Wright, a descendant of 1879 George W. Wright, stated that her family lore was that George Wright was the father of 1879 George W. Wright and left for the War of 1812 and never returned, which is consistent with the death of George Wright in 1815 and the birth of 1879 George Wright in 1815.

And ninth, in her email dated November 26, 2022, Cara Wright stated that family lore was also that Moses George Wright died at the residence of Gitano "Guy" Wright

who was a son of 1879 George W. Wright and, as set forth below, the death record of Moses George Wright listed Guy W. Wright as the informant.

Taken together, these records indicate a consistent tale of the birth of 1879 George in 1815, the loss of his father in 1815, his residence in his grandfather Charles King's household with his mother in 1820, his residence with his uncle John Wright in 1830, his family connection to his cousin Moses George Wright, and the residence of that cousin Moses George Wright until his death in the household of Guy W. Wright, a son of 1879 George W. Wright.

The remainder of this section will discuss the documentation that has been found regarding 1879 George W. Wright.

July 1879, so his date of death would have been in December 1878.

Findagrave.com listed the gravestone of George W. Wright in the Lone Star Cemetery, Jordan Mines, Alleghany County, Virginia:

"George W. Wright

Although this gravestone listed his date of death in 1879, it appears to be a modern stone and the date of death may have been taken from the date of his inventory and appraisement of his estate set forth below.

Given the inconsistencies in the records regarding his year of death, George W. Wright will continue to be referred to as 1879 George W. Wright.

The 1880 Census for Alleghany County, Virginia, listed Elizabeth Wright in the Guy W. Wright household on June 23, 1880, her relationship as grandmother, and her age as 64 and born in Virginia, indicating a date of birth in about 1816.

Findagrave.com listed the gravestone of Elizabeth H. Wright in the Lone Star Cemetery, Jordan Mines, Alleghany County, Virginia:

"Elizabeth H.

Geo. W. Wright

Born Oct. 9, 1817
Died Nov. 8, 1893

The death record of M. E. Byer dated on March 18, 1896, in Rich Patch, Alleghany County, Virginia. listed her parents as G. W. and Elizabeth Wright and her age as 44, indicating a date of birth in about 1852.

The death record of Guy W. Wright dated on January 28, 1923, in Clifton Forge, Alleghany County, Virginia, listed his parents as Guy W. Wright and Elizabeth Bennett and his birth on June 28, 1847, in Alleghany County, Virginia.

The death record of John Hickerson Wright dated on February 9, 1930, in Boiling Springs, Alleghany County, Virginia, listed his parents as George W. Wright and Miss Bennett and his birth in October 1849 in Alleghany County, Virginia.

In her GenForum Posting dated July 30, 2002, Peggy Miller stated that George W. Wright was born in 1815 and married Elizabeth Bennett in 1837 in Alleghany County, Virginia, that Elizabeth (Bennett) Wright was born in 1817, and that George W. Wright and Elizabeth (Bennett) Wright had the following children:

1) Rebecca Wright, born in 1841 at Alleghany County, Virginia,

2) George Lee Wright, born in 1842 at Alleghany County, Virginia,

3) Gitano “Guy” W. Wright, born in 1847 at Alleghany County, Virginia,

4) John Hickerson Wright, born in 1849 at Alleghany County, Virginia,

5) Mary Elizabeth (Wright) Byer, born in 1852 at Alleghany County, Virginia,

6) Miles L. Wright, born in 1852 at Alleghany County, Virginia,

7) Martha E. Wright, born in 1855 at Alleghany County, Virginia,

8) Charles Woodson Wright, born in 1855 or 1856 at Alleghany County, Virginia, and

9) Andrew J. Wright, born in 1860 at Alleghany County, Virginia.

From the evidence set forth above and additional evidence set forth below, the children of 1879 George W. Wright of Alleghany County and Elizabeth H. (Bennet) Wright were the following:

1) Rebecca Wright, born in about 1841 in Alleghany County, Virginia,

2) George Lee Wright, born on December 27, 1843, in Alleghany County, Virginia,

3) Jacob H. Wright, born on February 23, 1845, in Virginia,

4) Gitano W. "Guy" Wright, born in about 1846 or on June 28, 1847, or in about 1848 or 1849 in Alleghany County, Virginia,

5) John Hickerson Wright, born in about 1846 or in November 1848 or in October 1849 or in about 1850 in Alleghany County, Virginia,

9) Andrew Jackson Wright, born on September 22, 1860, or on October 8, 1860, or in about 1861 in Potts Creek, Alleghany County, Virginia.

a. Rebecca Wright

Rebecca Wright was a daughter of 1879 George W. Wright of Alleghany County and Elizabeth H. (Bennett) Wright. (John[1], 1815 George[2], 1879 George W.[3])

The 1850 Census for Alleghany County, Virginia, listed Rebecca Wright in the George W. Wright household on July 25, 1850, and her age as 9 and born in Virginia, indicating a date of birth in about 1841.

The absence of Rebecca Wright from Alleghany County Deed 35/138 set forth above indicates that she had died before June 18, 1907. In conjunction with the absence of Rebecca Wright from the 1860 Census for George W. Wright, these records indicate that she had probably died before August 27, 1860.

In her GenForum Posting dated July 30, 2002, Peggy Miller stated that Rebecca

Wright was a daughter of George W. Wright and Elizabeth (Bennett) Wright and was born in 1841 at Alleghany County, Virginia.

b. 1880 George Lee Wright Of Greenbrier County, West Virginia, His Wife Charlotte (Johnson) Wright, And His Descendants

The 1850 Census for Alleghany County, Virginia, listed George L. Wright in the George W. Wright household on July 25, 1850, and his age as 7 and born in Virginia, indicating a date of birth in about 1843.

The 1860 Census for Alleghany County, Virginia, listed George L. Wright in the George W. Wright household and his age as 17 and born in Virginia, indicating a date of birth in about 1843, and his occupation as farming.

"Two Men Drowned In Greenbrier River.

We learn from the Lewisburg Criterion that on Wenesday, the 17th instant, a very distressing accident occured in the Greenbrier River, about 12 miles from Lewisburg, near Callison's mill. A squad of men wer floating three rafts, loaded with timbers, down the river, which was very high, when one of them lodged on a small island. In trying to dislodge it three men were precipitated into the river, two of whom succeeded in getting again on the raft, while the third remained on the island, clutching a small tree that stood upon it. Observing his perilous position, Messrs. Lee Wright and Adam Merritt ventured out in a boat to rescue him, but it unfortunately capsized just as he attempted to get in. The man, whose name was Gum, from Pocahontas, regained the tree where he remained until rescued the next morning; but Messrs. Wright and Merritt were carried down with the current and drowned."

This record indicates that Robert Bernard Wright was born in about 1870 and that Mahala Frances (Helms) (Campbell) Wright was born in about 1853. The listing of the first child had her surname Combell written over a line indicating Wright and I have included that same indication for the next two children from Mahala Frances (Helms)

(Campbell) Wright's children to indicate that they were Campbells from Mahala's first marriage. Although the fourth child was listed as Roberta, a daughter, this seems clearly to be a mistaken listing for Robert L. Wright, the first child and son of Robert Bernard Wright and Mahala Frances (Helms) (Campbell) Wright.

The 1910 Census for Alleghany County, Virginia, listed Bearnared Wright with the following household on April 20, 1910:

Findagrave.com also listed the following biographical summary for John Lee Wolfe:

"John was the son of Levi "Lee" Wolfe and his first wife, Ann Mariah "Annie" Paxton; he was the 3rd-oldest of their 7 known children. The above birthdate was inscribed on his gravestone, but his 1900 census has March 1872 as the date.

John married Anna Blanche "Annie" Tucker on 16 August 1892 in Alleghany Co., and they lived much of their lives in Boiling Spring (same county). His known occupations were Farm Laborer, general Laborer, and Miner in the iron mines. He and Annie had the following 8 known children, including a set of twins:

Emma Susan (married William Harvey Simmons);
Alice May (married Elbert Cylvester Caldwell);
Bertha Jane "Birdie" (married Charles Isaac "Charley" Tucker);
Coyd Raymond;
Stella (married Raymond Carl Persinger), twin of Ella;
Ella Irene (married James Earl Persinger, brother of Stella's husband);
Floyd King;
Effie Lee (married Arthur Edward Brookman, then Roy William Persinger).

Bertha predeceased John & Annie on 12 October 1918, of Influenza, during the Spanish Flu pandemic; she was just 20 years old. Annie also predeceased John, in March 1936. He remarried in Sept. 1936 to widow Elizabeth "Lizzie" Scott (nee Wright); he was age 62, she was 61.

John died suddenly at 6:30AM on Christmas Day 1938, which was no doubt quite a shock to his 7 children, his many grandkids, and dozens of others he left behind (siblings, nieces, nephews, and cousins)"

"George Newton Wright married Delilah R. Campbell on April 13, 1902. He was a life-long resident of Alleghany County and a member of the Pinnell Chapel Methodist Church. George and Delilah never had indoor plumbing in their last residence on Jonestown Road, Potts Creek. George sold pulpwood, cattle/hogs at the stockyard and was a National Forest Warden. George also cut and hauled wood for household use (heating/cooking). George hand-cured or dry-cured his meat when they butchered their stock. Delilah made jams, jellies, kept bee hives for honey, canned vegetables/meat and sold eggs, butter and milk. They would bury cabbage, turnips, etc. in their garden covered with straw, and during the winter months would dig it up as needed. They had an orchard of apple and peach trees and a grape arbor. Delilah cooked for the thrashing team every year along with the wives of the thrashers who came to assist and would contribute food. George was a member of this team made up of neighbors and friends, going from farm to farm helping each other. George would take wheat and corn to the mill, receive credit and during winter months, would get supplies and have it deducted from his credit. They had a smokehouse, spring house, well house and a hand pump well. George had his own blacksmith equipment and forged his own horseshoes. Also, they kept their mattresses stuffed with straw or feathers. Delilah always kept rather large sugar cookies in a drawer of her kitchen cabinet for anyone who happened to visit. The grandchildren always knew where they were. Sometimes, when the grandchildren would visit, George would take them swimming in Potts Creek, but, would not allow his granddaughter to go. They worked hard and was almost a 100% self reliant couple."

Newspapers.com listed the following obituary for Charles Woodson Wright dated February 18, 1929, in the Covington Virginian, Covington, Virginia:

"Mr. C. W. Wright Dies In Home

Mr. Charles Woodson Wright died at his home at Jordan Mines, Friday.

Mr. Wright was born March 6, 1857, at the old Wright home, near Jordan Mines. At the time of his death Mr. Wright was one of the oldest retired merchants, as well as one of the most highly respected citizens of Alleghany County.

He was stricken with paralysis and only lived twenty-four hours, and his death came as a shock to his family and friends.

During a recent visit to his sons here, Mr. Wright spoke of feeling unusually well and of gaining ten pounds in weight.

Mr. Wright was one of the most noted hunters in this section of the State and his reminiscences of many a bear and deer chase were greatly enjoyed by his interested listeners.

Mr. Wright was twice married, his first wife being Miss Sinia Wolfe, who died a number of years ago. His second wife was Mrs. Emma Fridley, who preceded him to the grave in April, 1928.

He is survived by five children: Messrs. P. L. and P. W. Wright, of Covington; Mrs. R. A. Puffenbarger, of Dallas, Texas; Mr. J B. Wright of Jordan Mines, all by his first marriage, and one small daughter, Miss Lenora Wright, by his last marriage; two brothers, J. H. Wright and A. J. Wright, of Jordan Mines, and fourteen grandchildren.

Funeral services were held this afternoon at 1:30 o'clock from Pennell's Chapel, being conducted by Rev. L. O. Rose, of Talcott, W. Va., who was a close friend of the deceased. Interment was made in Lone Star Cemetery."

Newspapers.com listed the following obituary of Paris L. Wright dated on July 10, 1941, in the Covington Virginian, Covington, Virginia:

"Paris L. Wright Dies Suddenly At Noon Today

Covington Police Justice and Popular Sportsman Goes to His Reward

Paris L. Wright justice of the Covington Police Court, and popular sportsman of Alleghany County for many years, died in the Covington General Hospital at noon today.

Squire Wright, as he was popularly known, had been in ill health for several months. His condition required his being transferred several days ago to the local hospital, where he appeared to be improving. Today his wife was so encouraged by his improvement, she went home to dinner. A few minutes later, the Squire sank rapidly and passed way without pain and peacefully, as he had always expressed a desire to do.

The Virginia will tomorrow publish a sketch of this popular citizen, who was born in the upper Potts Creek section of Alleghany County, and who spent the greter part of his life here and in Clifton Forge. He was in business in Clifton Forge before coming to Covington, where he was an ardent baseball fan and generous supporter of all athletic events.

The funeral probably will be held Saturday. Announcement of the time and pallbearers will be given in tomorrow's Virginian."

This record indicates that Jay Posey Wright was born in about 1883 and that Harriet Elizabeth (Childs) (Wright) Clark was born in about 1884. Although John P. Wright was listed in this record as resident in Spokane, the 1910 Census for Alleghany County, Virginia, set forth above indicates that he was then resident there. These two records may indicate that Harriet had left her husband, moved to Spokane, and then listed her husband by an incorrect given name but as part of her household since they were not yet divorced.

The marriage record of Hattie Childs Wright and Eldo E. Clark was dated on June 11, 1917, in Spokane, Spokane County, Washington:
